### INTERNATIONAL CHESS TOURNAMANT

Kronborg Chess Open is an international chess tournament with a total prize sum of around DKK 20,000 (€3.000) depending on the number of participants.

Last time, the tournament had participants from Norway, Sweden, Holland, India and of course Denmark. We are therefore looking forward to seeing many nationalities and levels together with Danish chess players.

The tournament is divided into groups of 8 players where everyone is playing against each other. The group selection is according to Danish rating and foreign players Elo-rating number is transferred to the Danish.
